*It is our goal that every Catholic family be able to afford to educate their children at our school. Because the actual cost of educating a student at Saint Therese Carmelite School is much higher than the tuition we charge, the actual cost of education must be made up through our fundraisers. Regardless of the number of children enrolled, **each family** is required to support our Annual Fund, complete 30 Service Hours, and contribute \$600 towards fundraising.*

Annual Fund

Saint Therese Carmelite School has established an Annual Fund to help offset the gap between tuition paid and the actual cost of educating each student. The gap is over \$3,000 per student. Money donated to this fund is fully tax deductible and much appreciated.

We ask that **each family commit to a minimum of \$500** which can be paid in the following ways:

- Full payment by August 20, 2021
- Paid through FACTS (Tuition Mgmt Co.) according to your chosen FACTS (Tuition Mgmt Co.) payment schedule.
- Families are welcomed and encouraged to surpass the \$500 minimum.

Service Hours

To build community and participate in the life of the school, it is important that all school families donate service hours. Each Saint Therese Carmelite School Family is required to complete a **minimum of thirty (30) hours of service; a minimum of 10 hours must be completed in the Spring, with a minimum of 5 hours being dedicated to the Little Way Dinner and Auction.** Service hours opportunities include, but are not limited to, working (before, during, or after) fundraising events or school promotional events, classroom assistance, chaperoning field trips, assisting with school mailings, student activities (Back-to-School, All Saint's Day, Thanksgiving, Posada, etc.), hospitality, chairing a committee, before and/or after-school crossing guard, and purchasing needed/requested supplies for student events (credited at 1 hour for every \$20 spent – must provide receipts). *The service hour commitment must be completed by June 1, 2022 or families will be charged accordingly. A fee of \$20 per hour will be charged for each hour not completed and will be due and payable by June 8, 2022. Outstanding fees will be billed through FACTS (Tuition Mgmt. Co.).*

Financial Aid

There are two options for financial aid.

1. **FACTS Grant & Aid Assessment** (formerly Private School Aid Service)
Any family that would like to apply for need-based financial aid is encouraged to do so through FACTS, our third party evaluating service.
